

Documentation 2FA

BYPASS 1

1. Crédation de compte et connexion

- #a Se rendre sur le site portswigger.net
- #b Se créer un compte
- #c Se connecter

The screenshot shows the 'My Account' page of the PortSwigger.net website. On the left, there is a sidebar with icons and labels: 'Personal Details' (person icon), 'Certifications' (certification icon), 'Subscriptions' (document icon, highlighted with an orange background), and 'Order History' (receipt icon). To the right, the main area has a dark blue header with the text 'My Account'. Below this, the 'Your Subscriptions' section is visible, featuring a large orange button labeled 'BUY PROFESSIONAL'. In the center, there is a stylized illustration of a person sitting at a desk with a laptop, surrounded by bookshelves. At the bottom left, a URL bar contains the text 'https://portswigger.net'. At the bottom right, there is a small orange circular icon with a white arrow pointing upwards.

2. Début du détournement

Lab: 2FA simple bypass

APPRENTICE

This lab's two-factor authentication can be bypassed. You have already obtained a valid username and password, but do not have access to the user's 2FA verification code. To solve the lab, access Carlos's account page.

- Your credentials: wiener:peter
- Victim's credentials carlos:montoya
